## COMMON GROUND'S 4<sup>TH</sup> ANNUAL CANDLELIGHT VIGIL

Join us for a Candlelight Vigil from 6 - 8 pm on Wednesday, December 1, 2010 in observance of World AIDS Day.

We will walk together to Santa Monica City Hall. The theme for this global event is "Universal Access and Human Rights" emphasizing the critical need for universal access to essential care.

Common Ground remains the only comprehensive HIV center serving the Westside. Meet us at Common Ground - 2012 Lincoln Blvd (one block south of Pico). Even if you are unable to walk with us, please join us at the agency.
